## Welcome to MTSamples

(Collection of Transcribed Medical Transcription Sample Reports and Examples)

**MTSamples.com is also available in blog format at [MedicalTranscriptionSamples.com](#)**

**MTSamples.com** is designed to give you access to a big collection of transcribed medical reports. These samples can be used by learning, as well as working medical transcriptionists for their daily transcription needs.

**MTSamples.com** contains sample transcription reports for many specialties and different work types, and we are constantly adding more samples to MTSamples.com. These sample reports are provided by various transcriptionists and users and are for reference purpose only. We will appreciate any notification of errors in samples and/or web site. You are welcome to contact us if you want to share your samples with us.

Please feel free to print, share, link, and distribute any of the reports from our website. Our requirement is that while linking or sharing or printing, please notify us, and please give credit to our web site by putting a link to <https://www.mtsamples.com> or putting a referral note regarding **www.mtsamples.com**.

**NOTE:** These transcribed medical transcription sample reports and examples are provided by various users and are for reference purpose only. MTHelpLine does not certify accuracy and quality of sample reports. The transcribed medical transcription sample reports may include some uncommon or unusual formats; this would be due to the preference of the user. All names and dates have been changed (or removed) to keep confidentiality. Any resemblance of any type of name or date or place or anything else to real world is purely incidental.
